Group Piano Program Features

Preparation of Online Lessons: Modifying songs to the student's levels, personalizing lesson plans, and creating online materials and activities to supplement sessions.

Complimentary Digital Workbooks: Download, print, and bind. For the preschool piano program, the first 2 lessons are free to download while you wait to receive your lesson book.

Motivational Practice App: We use Tonara for students and parents to connect with each other and the teacher during the week. This is a tool to supplement weekly learning and is only effective if used.

Invitation to Events & Workshops: Welcome Party!!! Check the Member's Portal Calendar for updated events.

Ongoing Parent Support: Additional practice lesson videos through the KeyNotes website directly here and weekly parent practice sheets are available at the Member's Portal.

Badges & Sticker Reward System: Collect Happy Keys virtual badges and a workbook certificate for achievements, and a physical sticker sheet at the end of each lesson to be mailed to you!

Video Recordings & Extra Activities: All organized in the Member's Portal "Online Resource" area. Find additional worksheets too!

Parent Socializing: Invitation to parents and students to continue socializing after the teacher leaves the online lesson. A parent can be made host.

Termly Report: Get an individualized student report based on meeting learning objectives.
