Dear students, families, and friends,

You are cordially invited to Happy Keys Music's first 'Impromptu Summer Piano Playing at the Park!'

Impromptu meaning that this is intended to be a relaxing and carefree event where students are invited to play whatever they desire and to meet new friends! I will be there regardless if any students show up and I hope some of you will join me! :)

Because this is not an organized event (unlike a piano recital), you are free to leave as needed. At Robson Park, there is a free outdoor public piano that we can use brought to us by Keys to the Streets Program.

There will be TWO performance dates for the event; you can attend one or both!

Location: Robson Park 525 Kingsway, Vancouver BC

Date #1: Thursdays, August 21st 2014 @ 11:00am - 11:45am

There is a wading pool at the park on this day for those who are interested in swimming and an arts and crafts booth!

Date #2: Saturday, August 23rd 2014 @ 1:30pm - 2:15pm

The proposed time will fluctuate, as this is an outdoor piano, which may be used by other patrons of the park. If it's busy, we can all play at the playground while we wait. :)

We will be near the playground and the outdoor piano. Come earlier to find a shady spot under the tree!

What to prepare:

1. **PREPARE** 2-5 songs to play. Bring your piano books!
2. **BRING** a picnic blanket, snacks, sunscreen, and water!

3. INVITE friends, family, and have a great time!

If an unfortunate event occurs such as heavy rain on the day of the event, the event will be cancelled and you will be notified as soon as possible.

Hope everyone is having a great summer thus far!
